ALBA

Alba is a linen fabric on double width, woven with satin binding that gives a dense and smooth surface. The fabric has a finishing soft wash but retains its smooth and elegant character with a beautiful drape.

Alba works well in many different environments and does just as well with wave system as with a more classic solution.

The fabric will stretch and/or contract depending on humidity and temperature. Use the width of the fabric as the width of the curtain for best results.

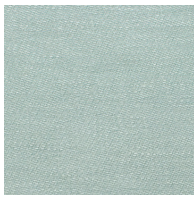

Please be aware that screen colours, printer colours and fabric dye batches may vary.
