## ELSA

Elsa is a slightly coarser linen fabric on single width with a matte surface and beautiful structure. The finishing wash makes the fabric soft and pliable and is suitable for heavier curtains. It's a lighter upholstery fabric that also works well for cushions and headboards.

This article is washed to give it a unique look, it has wrinkles and marks. It will stretch and/or contract depending on humidity, dryness and temperature.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
