

BENITA

Benita is a double width light upholstery fabric in washed and soft linen. Falls beautiful and heavy.

Benita is washed to give it a unique look, it has wrinkles and marks. The linen yarn can be irregular with slobbs and knots depending on the natural character of the linen fiber.

It will stretch and/or contract depending on humidity, dryness and temperature.

For best result use the width of the fabric as the width of the curtain.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
