

NICOLA

Nicola is a semi-transparent, extra-wide fabric made from a combination of recycled materials and flame-retardant polyester. This makes it an excellent choice for environments where both sustainability and flame resistance are essential requirements.

The fabric is perfect for curtains in spaces where some degree of privacy is needed, while still allowing beautiful light to filter through.

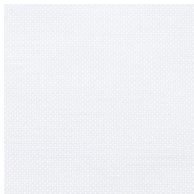

For 2025 we have expanded the colour palette with 11 new shades.

Please be aware that screen colours, printer colours and fabric dye batches may vary.

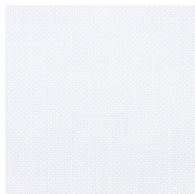

ARTICLE:	Nicola
BINDING:	Plain weave
DYEING:	Yarn dyed
MAIN USE:	Curtain
NUMBER OF COLOURS:	21
COMPOSITION:	51 % Recycled polyester GRS 49% Polyester FR
WIDTH:	340 cm
