

MUARNO

Murano is a linen fabric with hints of silk, on double width, woven on a jaquard loom in a binding which gives the fabric an elegant surface with a lot of structure, it has a beautiful drape.

The fabric is dense but when the light is filtered through the natural density of the threads will occur more giving a vivid surface.

This article may stretch depending on the natural character of the fiber.

Please be aware that screen colours, printer colours and fabric dye batches may all vary.
