DEIA

Deia is a washed linen with a unique look deriving from the artisanal production process. The wash gives a lively and beautifully wrinkled surface. It is a fabric full of character, equally suitable for curtains, tablecloths and fabric-covered walls.

It will stretch and/or contract depending on humidity, dryness and temperature. The linen yarn can be irregular with slobs and knots depending on the natural character of the linen fiber.

For best result use the width of the fabric as the width of the curtain.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
