

## PORTO

Porto is a lighter upholstery fabric with a coarser structure. The fabric's raw character comes from the linen and hemp yarns rougher finish. Porto is only available in this natural colour and the sole treatment is a regular wash.

It will stretch and/or contract depending on humidity, dryness and temperature.

Please be aware that screen colours, printer colours and fabric dye batches may all vary.

ARTICLE:	Porto
BINDING:	Plain weave
DYEING:	Natural colour of the fibre
MAIN USE:	Upholstery, decoration
NUMBER OF COLOURS:	1
COMPOSITION:	75% Linen 25% Hemp
