

GAVI

Gavi stands out as an exceptionally soft and luxuriously dense wool satin, boasting with double width for added value. Its surface gives a subdued sheen, offering a matte and flawlessly smooth texture. The soft drape of this fabric is further enhanced by the satin binding, giving an irresistibly smooth and tactile quality to its surface.

Gavi is part of our Wool Collection II. Together with Aosta, Ceres, Ovada, Piana, Pinerola and Sasello they make up our second collection of woolly fabrics in the finest quality.

Use the width of the fabric as the width of the curtain for best results. This fabric will stretch and/or contract depending on humidity, dryness, and the natural character of the wool fibre.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
