

CHIARA

Chiara is a smooth and elegant wool voile on double width, the thin soft wool threads with a little stretch make a wonderfully light drape.

Chiara is part of our Wool Collection. Together with Lorenzo, Paolo and Valle they make up our collection of wool fabrics in the finest quality. The fabrics have different character and properties but match each other in colour.

Chiara with it's fine threads is sensitive to dry air and moisture, and will contract and/or stretch depending on humidity, dryness and the natural character of the wool fiber. Too much moisture and steam when ironing gives the same effect.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
