

## LORENZO

Lorenzo is a dense and soft wool satin on double width with an elegant matt surface. It has a fantastic drape. The light is filtered beautifully through the smooth fabric and gives a warm and elegant feeling.

Lorenzo is part of our Wool Collection. Together with Chiara, Paolo and Valle, they make up our collection of wool fabrics in the finest quality. The fabrics have different character and properties but match each other in colour.

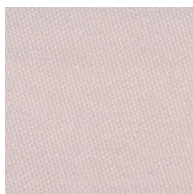

For best result use the width of the fabric as the width of the curtain. This article may stretch/and or contract depending on the natural character of the wool fiber.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
