

OVADA

Ovada, our wool twill on double width, manifests a luxurious softness. The twill weave, the same as of the weave found in a pair of jeans, gives a delicate yet distinctive structure to the fabric. A subdued matte finish enhances its sophisticated allure, and the fabric drapes beautifully, adding to its overall elegance.

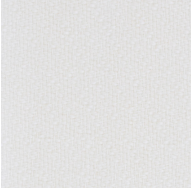

Ovada is part of our Wool Collection II. Together with Aosta, Ceres, Gavi, Piana and Sasello they make up our second collection of wooly fabrics in the finest quality.

Use the width of the fabric as the width of the curtain for best results. This fabric will stretch and/or contract depending on humidity, dryness, and the natural character of the wool fibre.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
