PAOLO

Paolo is a dense quality woven in very fine and soft wool threads on double width. The fabric has a beautiful drape. The soft surface is matte and mottled and gives an elegant and cozy impression.

Valle is part of our Wool Collection. Together with Chiara, Lorenzo and Paolo, they make up our collection of wool fabrics in the finest quality. The fabrics have different character and properties but match each other in colour.

This fabric may stretch depending on the natural character of the wool fiber. For best result use the width of the fabric as the width of the curtain.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
