## UDINE

Udine is a smooth and elegant wool voile on double width, the thin soft wool threads with a little stretch make a wonderfully light drape. A sheer stripe in a beautiful umbra-brown tone runs from selvage to selvage and creates a subtle pattern.

Udine is part of our collection of wool fabrics in the finest quality.

Udine with its fine threads is sensitive to dry air and moisture, and will contract and/or stretch depending on humidity, dryness and the natural character of the wool fiber. Too much moisture and steam when ironing gives the same effect.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
