

PINEROLA

Pinerola, a wool and alpaca blend with ultimate softness. As a strong addition to the more luxurious parts of our collection, we introduce a fabric made from a blend of wool and alpaca. This fabric, reminiscent of a fluffy cloud, is perfect for curtains and creates a soft and cozy atmosphere. Available in double width, and currently in one colour.

This article may stretch depending on the natural character of the wool fiber. The fabric may stretch more in the weft direction.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
