

GIULIA

A fabric with a light, airy feel and delicate texture, woven from threads of linen, wool, and silk. Giulia offers a subtle character and pairs beautifully with a heavier fabric. Perfect for layering textiles in a space and creating harmony.

Giulia is in our collection Selected Neutrals, which is a mixture of double-width fabrics in linen and linen blends in a colour range that goes from white to nature.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
