

LIANA

A fabric made of alpaca and linen threads that creates an airy lightness and a gentle texture, filtering the light in a beautiful way. Liana works equally well in a minimalist interior as in spaces where the textile takes center stage. A perfect choice for airy curtains or rooms where a soft transparency is desired.

Liana is part of our Wool Collection. Together with Lorenzo, Paolo, Lucia, Valentina and Valle they make up our collection of wool fabrics in the finest quality.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
