

LUCREZIA

An expressive fabric, with a slightly deeper tone and rich texture. With its boucle-like yarn, Lucrezia brings character into the interior and works equally well as a stand-alone piece or in combination with the other fabrics in the series.

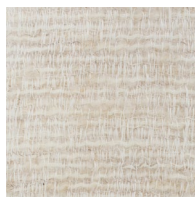

Lucrezia is in our collection Selected Neutrals, which is a mixture of double-width fabrics in linen and linen blends in a colour range that goes from white to nature.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
