

## VALENTINA

A fabric with a soft, smooth surface woven from fine alpaca wool and linen threads. Valentina's subtly tactile texture conveys a calm expression and is well suited to interiors where a sense of refined comfort is desired.

For best result use the width of the fabric as the width of the curtain.

Valentina is part of our Wool Collection. Together with Lorenzo, Paolo, Liana, Lucia and Valle they make up our collection of wool fabrics in the finest quality.

Please be aware that screen colours, printer colours and fabric dye batches may vary.
